GALE HITS BELMONT PARK.

RAIN AND WIND STORM DRIVES SPECTATORS TO SHELTER UNDER GRANDSTAND.

Last Four Races Are Run in Sloppy Going—Grandpa Falls at the First Jump and Mr. Hayes Is Knocked Out.

New York, October 9.—Up to 2 o'clock today the most beautiful of autumn weather prevailed and an unusually large crowd journeyed to Belmont Park to see an interesting card of six races decided. A miniature cyclone struck the race course during the running of the third race and the juvenile racers were invisible to the spectators until nearing the finish. The force of the gale drove the rain into the furthest corners of the large grandstand and nearly everyone sought refuge underneath. A number of benches were blown down, creating a momentary panic. Altogether it was the most cheerless and actually disappointing day of the season. The last three races were run over a canal-like track.

Society turned out in force to see the running of the Corinthian Steeplechase Handicap, over the full course, in which gentlemen jockeys disported themselves. Grandpa, ridden by his owner, W. C. Hayes, started an odds-on favorite and carried limit wagers of the clubhouse contingent. Mr. Hayes came to grief at the very first jump, being knocked out completely. It was generally remarked that the ambulance van arrived on the scene in an incredibly short time. The injured rider when picked up was quite limp and seemingly dead and there was a great commotion in the clubhouse enclosure. Mr. Hayes recovered shortly after, however, and was able to walk back to the scales room unassisted. After the accident the favorite, Yama Christy, skillfully handled by Mr. Devereaux, went on and easily disposed of the others.

The other stake fixture on the card was the Fairview Selling, at a mile and a sixteenth. R. H. McC. Potter scored easily from four others with his homebred filly, Belle of Pequest, which was a hot favorite.

Grapple won at the first asking in the colors of his new owner, Frank J. Farrell. The Tammany crowd won a lot of money over the Drake cast-off's victory. The success of four favorites brought considerable relief to the speculatively-inclined public and it was a cheery crowd that wended their way homeward at the close of the day's racing.

The experiment of running all races at six and a half furlongs and under over the straightaway at Belmont Park, inaugurated yesterday, is an unpopular move. The third and fifth races today at five and a half and six and a half furlongs respectively, were decided over that course and the rain and mist obscured the view of their early running entirely, so much so that in the case of the former no official time was taken.

RACING OFFICIALS SOAK BELLIGERENTS.

Bookmakers Alvey and Stephens Are Fined \$1,000 Each and Debarred from Churchill Downs.

Louisville, Ky., October 9.—Bookmakers Edward Alvey and Samuel Stephens, parties to the shooting affair in the betting ring at Churchill Downs yesterday afternoon, had a hearing before the judges at the track today and each were fined \$1,000 and deprived of all privileges of the course during the remainder of the meeting. The following is the official ruling, signed by Judges Price, Grainger and Shelley and General Manager Matt Winn: "Under the provisions of rule 195 of the American Turf Association Ed. Alvey and Sam. Stephens are each fined \$1,000 and suspended from all of the privileges of this course during the remaining days of the present meeting. Each of the said parties is prohibited from making a book, racing a horse or participating in any manner in the races during the continuance of this meeting."

Alvey had entered Kohnoffaw in the second race and McChord and Hazelthorpe in the third race. The judges ordered that these horses be withdrawn.

Alvey appeared in the local court this morning on the charge of murderous assault, but the case was continued until Saturday next.

MARTY BERGEN'S FUNERAL TODAY.

New York, October 9.—Marty Bergen's remains will be buried at Sleepy Hollow, Tarrytown, N. Y. Funeral services will be held at the family residence at Gravesend tomorrow. The late jockey leaves a widow and two children. The eldest boy is learning to be a jockey and will be adopted by Joe Marrone. It is thought that the Jockey Club will defray the expenses of Bergen's funeral and furthermore provide for the widow. A public subscription has been started.

PARMER WANTS HERMITAGE STUD.

Nashville, Tenn., October 9.—Walter O. Parmer is negotiating with R. S. Williams, the manager of Hermitage Stud, for a lease on the property. Since disposing of his Edenwood Farm, Mr. Parmer has kept his thoroughbreds in a portion of the Belle Meade Farm.

THOUSANDS VISIT MONTREAL'S NEW TRACK. Grand Ovation to Racing—Organizers of the Montreal Jockey Club Are Highly Encouraged.

What was intended for a modest little meeting of the Montreal Hunt at the Montreal Jockey Club's new track Saturday developed into one of the grandest ovations to the thoroughbred ever witnessed in Canada. Where hundreds were expected, thousands came, and this in spite of untoward weather conditions. Montreal folk surprised even themselves, and the whole town is now talking of its beautiful new track and swearing fealty to the thoroughbred. The clubhouse, which is larger than that at Sheepshead, was crowded with the best people of eastern Canada. Its three balconies were not roomy enough to hold the fashionable throng, and after lunch had been served the big dining room, which runs full length of the second floor, had to be cleared for the guests. Vehicles of all kinds filled the five-acre inclosure and the chug-chug of automobiles imparted to the whole a metropolitan air. Out in the grandstand, which is not yet finished, the band of the Victoria Rifles, the best in Montreal, played its most enlivening airs to a crowd so large the Montreal Jockey Club is seriously considering the advisability of doubling the size of that structure before next June.

The Hunt meet has been a great advertisement to the new track. Seven thousand people have seen the plant, and nearly 3,000 society folk have enjoyed the comforts of its clubhouse. General Manager MacDonald, of the street railway, who keeps a close watch on crowds, says he expects to have to handle 30,000 passengers on the opening day next year. Saturday next, the Foxhunters' Association, of Montreal will run their steeplechases at the new track. This is a French-Canadian organization, and, although not much from a racing viewpoint, the attraction will be great. It is expected that 10,000 persons will attend. Mayor Elkers will act as steward.

HOLSCHER TO BE ENTERED AT BENNING'S.

A couple of years ago William Shields took a maiden called Ben Crockett to Benning's and won the Maximum Stakes, three miles, the longest race of the eastern season, with him. Last season Ben Crockett, running under the colors of the Queen City Stable, of Canada, won the Maximum Stakes a second time, but not until he had taken the Washington Cup, two miles and a quarter, the best distance event of the Benning's fall session.

Now that Holscher has won the Brighton Cup, showing that there is more in him than the experts were willing to admit a little while back, Shields is determined to try for the Maximum and the Washington Cup with him this fall. Also Holscher will be named for the Benning's Special, a race of one mile and a half, for three-year-olds and over.

"Entering this horse at Benning's is well worth while," says young Shields, "because he is a better horse than Ben Crockett ever was. He can run faster than Ben and he can go farther. I did not take a foolish chance when I bought the right to race him in the Brighton Cup. I believed he had better than an outside chance, because he had shown me in races and in work that he liked a distance of ground. I knew that he was ready, and I felt that if either Proper or the mare stopped in front he would beat them. Holscher always runs well for Noone. Why, I cannot tell. Neither can anyone else. He seems to understand my boy, and the boy knows him better than any of the alleged star riders I have put on his back."

FUTURE OF BREEDING BUREAU IS ASSURED.

The stallions most recently acquired by New York's Breeding Bureau are Saccharometer, by The Judge—Sacharisa, and Merry Lark, by Jim Gore—Twitter. Saccharometer is a brown horse, sixteen hands high, of exquisite conformation and will weigh fully 1,100 pounds. Merry Lark is too well known to need especial commendation. He was a high class stake winner, a sturdy racehorse and a horse of the conformation to improve the breed of horses in the state of New York. Some queries have been received by the Breeding Bureau of the Jockey Club as to soundness of the stallions placed by them. It is pertinent to say that no horse has been placed by the Breeding Bureau that possesses any possible hereditary unsoundness. Of course, these horses in some instances are not racing sound, as very few horses that have been tried and raced are without some blemish, such as a bowed tendon, a wind puff or some injury. However, with the care and rest they will receive on the farms these blemishes will rapidly and entirely disappear.

Six of the Breeding Bureau's selections have been exhibited at the agricultural fairs of the state of New York, five having received first premiums and one second. All in all the Breeding Bureau of the Jockey Club has succeeded beyond its most sanguine expectations and its future seems assured.

BELMERE HAS HAD A ROUGH TIME OF IT.

The third race at Brighton Beach Saturday was the first Belmere, one of the most successful three-year-olds of the early part of the season, has won since the Brooklyn Derby. "Belmere is not the horse he was in the spring," says the Morning Telegraph. "A lot has happened to Belmere since the Brooklyn Derby. He has bowed a tendon and he has been castrated. His people do not consider him a stake horse any more. They will be satisfied if he continues to win selling races. Since he is in excellent condition just now he should land several selling races before snow flies."

JOHN M. P. FALLS IN WORK AT BELMONT. Was Expected that He Would Fancy the Stiff Course—Harp Player and Alfie Jump Well.

New York, October 9.—Contrary to expectations, John M. P. has no particular fancy for the steeplechase course at Belmont Park. While schooling last Saturday he hit every hedge and fell at the last fence. The jumps at Belmont Park are constructed more after the manner of those on the English courses than any in this country, consequently it was presumed that John M. P. would get over them better than he did those at Sheepshead Bay. It may be that his schooling over the lower jumps has affected him. It is the belief of his people that he will make a better showing next time.

Harp Player, the three-year-old half sister to Herculeid, has shown better over the Belmont Park course than any of the horses yet schooled there. Harp Player is a dandy-looking bay filly. She has a free, swinging stride through the field, and when she comes to a fence takes it without the slightest apparent hesitation, going over cleanly and gracefully, not too high nor too low, but just at the proper height to escape hitting. It is hardly probable that Harp Player will start in the Harbor Hill, although she is entered. The reason for this is that Colonel Bob Neville thinks too much of her to race in this somewhat harrowing contest for young horses and prefers to save her for the Champion next year.

"I think it was the Harbor Hill that staled Herculeid," said Colonel Neville. "I firmly believe that if it hadn't been for that he would have developed into the greatest jumper this country has ever seen. Harp Player is like him in many respects, and I don't see the necessity for spoiling her prospects." Colonel Neville will probably start Mr. McCann in the Harbor Hill. This husky black gelding, by Contract—Lady Wooster, has shown gratifying speed and ability to jump, and he should prove a strong contender in the big three-year-old race.

Among the other horses which have come to grief in exercising over the stiff course are Mr. Cotton's St. Kevin and Thomas Hitchcock, Jr.'s Vendor. In spite of the falls they may perform well in the Harbor Hill. Vendor is Mr. Hitchcock's hope in the race. Locked out, from the same stable, may start, but their owner looks for Vendor to make the best showing.

The Bonnie Brook Stable's Alfie always schools almost perfectly, but it must be admitted that his racing has not been up to his work. Any one who saw him Saturday at Belmont, however, would select him as a favorite in the Champion.

Jimie Johnson's three-year-old Realm, was given a satisfactory tryout. He is a game youngster, and in his two races at Brighton ran and jumped well. Johnson thinks he will win the Harbor Hill, but it must be confessed that one of Johnson's most noticeable characteristics—one, however, that is to be strongly commended—is that he always thinks he will win.

WEXFORD'S FAST MILE.

RUNS CHURCHILL DOWNS COURSE IN 1:39 4-5. A RACE RECORD FOR THE TRACK.

Canadians Score a Coup In a Betting Way—Respass Fails to Land a Purse—Weather Cold and Raw.

Louisville, Ky., October 9.—It was cold and disagreeable at Churchill Downs this afternoon, but the racing was snappy and interesting. Speculators found the selection of winners a task which resulted to the general benefit of the bookmakers. In the cases of Frontenac and Wexford, however, the bookmakers paid out heavily. Rome Respass, had four starters during the afternoon—Caper, Posing, Martha Gorman and Judith Louise—and the Cincinnati turman was laying up some little store of expectation that each might land a purse. Through mishaps of racing, and poor riding, however, not one of them managed to land in front. In the first race C. Koerner lost one of his stirrups shortly after the start and the best Caper could do was a good third. Posing got away badly in the second and exhausted his early speed in an effort to improve his position. This beat him, Martha Gorman, regarded as the best betting proposition of the day and backed accordingly, was not ridden any too well by Nicol. She was away well enough, but was bothered in the early part of the journey and Nicol failed to keep her up close enough to Frontenac, the leader, evidently believing that the latter would stop. She made her usual game finish and landed in second place, beating Charlie Eastman a head.

Respass rallied to Judith Louise, his commission giving her a slight place of favoritism over Sainrida and Light Wool. The filly was pacemaker until inside the furlong when Sainrida and Light Wool closed up fast, the two of them just beating her out in a tight fit. The handicap was one of the best races of its kind during the meeting. The Canadian contingent believed they had the race at their mercy with Wexford, but they bided their time until the price had gone to 7 to 1. Then they got busy, hammering the odds down to 4 to 1. Carrying 116 pounds and conceding weight to all his competitors, Wexford ran a notable race, forcing Hannibal Bey into subjection, then withstanding the challenge of El Oros and winning easily. The time, 1:39 4-5, lowers the track race record of 1:40 previously held by His Excellency.

Arrivals from Hamilton today were A. K. Miller, six horses; Peter Vorman, one, and H. H. Aiken, one. Three carloads stopped over at Latonia and will remain for the meeting there. Frank Smith also got back from the fair at Springfield, Ill., with his Mamie Algol. Jockey W. Fischer, who rides for J. B. Dunn, arrived from Hamilton.

TALK OF ANOTHER "AMERICAN INVASION."

"Rumors are current among the turfmen of England that another 'American invasion' of their tracks is apt to take place next year," says the New York World. "It is reported there that W. K. Vanderbilt, James R. Keene, Perry Belmont, Harry Payne Whitney and several other millionaire lovers of the racehorse on this side, contemplate having extensive racing stables at the British tracks next year. These reports have not been verified, but seem to find credence in well informed turf circles. The anti-American feeling on the English turf is not nearly so strong as it was several years ago, but whether this is due to the absence of winning American stables or an actual dying out of the prejudice against our racing men is hard to say."

ANSWERS TO QUERIES.

E. J. E., Chicago. The bet is a draw, all the conditions not to be met.

E. S. B., Dayton, O. Don't know of any, but do not keep track of such matters.

F. S., St. Louis, Mo. Bets on Lady Karma would be draws under the circumstances described.

E. B., Chicago. It is an insinuation that the horse was only out for work in preparation for a future race.

M. S., Chicago. It is all fair if the bookmaker consented to accept the bets without the money called for being put up.

Winner—B. c. by Sir Walter—Lindula (trained by J. Carroll).
Went to post at 2:15. At post 7 minutes. Start bad. Won driving; second and third the same. Samuel H. Harris, from a lucky inside position and a striding start, ran in close pursuit of the pacesetter to the stretch, where he finished with a rush and won in a hard drive. John Lyle also was favored at the start and forced the early running, was forced to go wide on the last turn, finished like a cyclone and just failed to get up. Chimney Sweep, away slowly, steadily improved his position and made up a lot of ground into a fast going third. Columbia Girl was prominent throughout and might have won with an adequate ride. Dekaber closed up steadily in the stretch and ran a very good race. Bivouac was prominent to the last fifty yards in an extra good effort. Daruma finished well up. Mintia showed superior speed, but failed to stay. Annetta Lady was virtually left and, after closing a big gap, failed to stay.

Scratched—64882 Leonard Joe Hayman, 85; 64898 Belle of Jessamine, 99; 64810 Shineon, 93; 65022 Suffice, 98; 64978 Markie Mayer, 90; 64918 Colonel White, 101; 64844 Penrhyn, 102.

Winner—Ch. g. by Hermance—Isbell (trained by B. Pope).
Went to post at 2:50. At post 1 minute. Start good. Won easily; second driving; third the same. Yama Christy trailed for the first half mile, then took the lead and held it to the end, withstood menacing challenges from Pure Pepper and Olerosso on the last turn and drew out easily in the final sixteenth. Olerosso, after waiting in the rear for two miles, moved up with unexpected reserve speed on the far turn and finished a fast going second. Pure Pepper was a forward contender when coming to the last jump, but ran outside of the left wing, then turned back and finished the course and earned third place. Dick Roberts was a forward contender for two miles, then fell. Grandpa blundered and threw his rider at the first jump.

Scratched—64555 Tom Cogan, 152; (64429) Maximilian, 150; 64829 Commandant, 151; 64859 Chere Amie, 145.

Winner—Br. c. by St. Blaise—Souriant (trained by A. J. Joyner).
Went to post at 3:20. At post 3 minutes. Start bad. Won easily; second and third the same. Smiling Tom, from a flying start, maintained a forward position throughout, drew clear in the last furlong and won as his rider pleased. Rolling Girl liked the sloppy going and was a prominent contender throughout, beating the others off for second place. Miss Spooner ran well and forwardly from the start. Royal Ben came fast from the rear. Marriage Banns was tiring at the end. Rappaphanock was shuffled to the rear and easing up in the last sixteenth. Landsman got away badly. Suada was nearly left. Cobleskill, 107; 64959 Reba Stone, 104; 63302 Woolstartle, 103; 64919 Glenham, 104; 64920 Cambyes, 107; 64959 Cork Hill, 107; 64231 Xmas, 104; 64992 Viva Vase, 104.

Winner—Ch. f. by Flambeau—Gretchen (trained by F. E. Gardner).
Went to post at 3:45. At post 1 minute. Start good. Won easily; second and third the same. Belle of Pequest quickly disposed of Leonard Joe Hayman and drew out to a clear lead on the far turn, then increased her advantage and won off cantering. Leonard Joe Hayman showed unexpected speed and stamina in the going and earned an easy second place. Athlete, boring out all through the stretch, was driving hard at the end to save third place. Nemesis was ridden very patiently and finished with Horner sitting quite still. Stoic was beaten off early.

Scratched—(64877) Arkilra, 101; 65008 James Reddick, 105.

Overweights—Leonard Joe Hayman, 3 pounds.

Winner—B. f. by Orlando—Lake Breeze (trained by W. Hurley).
Went to post at 4:10. At post 2 minutes. Start good. Won handily; second driving; third the same. Baringo, from a striding start, was sent right out to set the pace and maintained a safe lead throughout, outstaying Animus at the end. Animus ran in close and game pursuit of the winner to the last furlong and put up an extra good effort. Rifleman liked the going and was in prominent contention all the way. Roswell was closing up at the end. Umbrella, badly messed about, finished a close fifth and going fastest of all except the winner. Killochan seemingly disliked the going. Belcast swerved all over the course in the first half.

Scratched—64795 Royal Lady, 89; 64977 Mintberia, 93; 64842 Mexican Silver, 84; 64744 Malacca, 96; 65017 Pungent, 98; 64595 Ben Strong, 87; (64671) Knight of Ivanhoe, 87; 65021 Gild, 91; 64955 King Brush, 105; 64897 Kilter, 98; 64655 Ben Strong, 87.

Winner—B. g. by Woolthorpe—Embrace (trained by F. D. Weir).
Went to post at 4:35. At post 1 minute. Start good. Won driving; second and third the same. Grapple, skillfully placed in a forward position for seven furlongs, closed up with a rush at the end and won going away. Orilene ran on the outside all the way, or she might have won, but succumbed finally to the winner's superior gameness. Father was in nearest attendance on the pacesetter to the last furlong, where he drew into a slight lead and then gave way finally to the two leaders at the finish and in proving. Red Friar, badly outpaced for six furlongs, finished with a cyclonic stretch run. Wes displayed brilliant speed for seven furlongs and then quit badly.
